

# Importing the good life

A couple create their dream retirement — life in a European village — much closer to home and family with an eco-friendly residence in Oregon wine country, **Page 4**

STEPHANIE WU LONG/THE OREGONIAN

## INSIDE

### Aquatic accent

Water gardens create habitat, expand your plant palette and mesmerize the eye

**Page 3**

### Private Garden

A love for clematis becomes the central theme of a couple's landscape

**Page 6**

### Garden smarter

Simple steps and tips can keep the joy of gardening accessible as we age
